Dear Prospective Sponsor,

The Dynamics Performance Team is a local non-profit dance team in the Berryessa area of San Jose that is dedicated to the development and education of the art of dance.

The Dynamics Performance Team is made up of young dancers ranging from age 8 years old and up. These dancers perform at community events, compete in the area, and host their own independent show throughout the year. Dynamics dancers spend countless hours in technique classes and performance rehearsals, learning the importance of hard work and time management, among other crucial life skills. Conventions and competitions are educational and character building experiences that the team hopes all its dancers have the opportunity to attend. Unfortunately, these conventions and competitions are yet another costly expense for a dancer's family. Through fundraising and sponsorship, this group of dancers are able to attend conventions and competitions, pay for costumes, and rent rehearsal space that they may not have otherwise been able to afford. Through all these experiences, the team hopes to build an individual with five key value points--solid dance technique, great performance, a passion for dance, dedication, and excellent character.

This year the team is looking forward to attending Dance Masters of America Regional Competitions, Hollywood Connection Dance Convention, JUMP Dance Convention, and Dance Masters of America Nationals in Florida. These are educational opportunities for our dancers and we hope you can help us to ensure that all of our dance-team members can participate by sponsoring them. With your financial support, not only will you be helping us to continue to enrich the lives of our dancers, but you will be making dreams come true for them and providing them with memories that will last a lifetime!

For your donation, we offer the following:

- \$75.00 or more donations include a business card advertisement in our Dynamics show program in June, or in the Dynamics slideshow that plays in the theater lobby
- Your donations of \$100.00 could cover a costume fee for two dancers
- Donations of \$300.00 would cover a dancer's competition and convention fees
- Donations of \$500.00 or more could cover costumes and partial rent/studio fees

We would not be able to run our team without important people like you. Your support is greatly appreciated!
